The flying roll where in is written mourning lamentation & woe is passes swiftly over the nations. I hear the portentous roaring of wild misrule. I see approaching the cloud of desolation which is to rain down upon the slumbering churches its tempest of brimstone & salt. My heart is pained within me.

For myself an atom in the sum of things. God can do as well without me as with me. The paramount desire of my soul is to proclaim that saviour whom I hope to meet in the clouds of heaven; and to assist in rearing up souls for glory.

The 1st genl council call'd by Constne A D 325. met at nice in Bithyny 318 Bishops attended. Arius was condemned & Christ declared to be of the same essence with the Father

In the 4th Cent. the doctrine of three persons in one God was established as the orthodox belief of the Church.

Monkery established in 4th Cent by Anthony of Egypt.
